

Mass Media HIP Cost Estimation Template Cover Sheet

Country being Reported Upon:

Please enter one of the Country names in box above:

Burkina Faso
India
Nigeria

This workbook is designed to help you identify and report on the resources used by your organization to support: 1) Preparation of the Mass Media HIP Campaign in the country listed above, and/or 2) Delivery of the Mass Media HIP campaign to target audience(s). The approach we will use to generate our cost estimates is known as Activity-Based Costing. Please complete the light orange cells before proceeding to the "Activity Identification" tab.

For detailed instructions, please see the document: "Guide to Mass Media HIP Cost Estimation Template"

ELIGIBILITY: To engage in this exercise, participants must meet the following criteria:

- 18 years or older
- Has experience with, or knowledge of, HIP implementation, the domains of inquiry (HMIS, LMIS, training, etc.), and/or the resources required to implement such activities by virtue of their professional position. It is anticipated that this will include technical officers, district managers, and finance staff; however, the specific title/job description of each participant may vary based on ability to provide the most detailed information
